SKIPPER'S SCRAWL

With only 3 weeks to Christmas, and so many things still to be done, and now find myself having my knuckles rapped by the Editor for being late with my copy for Water Rat!

So, let me open by wishing everyone a Happy Christmas and a prosperous New Year. Should we have another Open Day early in the New Year to let everyone work off those extra pounds put on from the Christmas fayre, or, perhaps a New Year's Working Party at HQ??

Bruno is complaining of all the glitter and tinsel he has to sweep up after Beaver meetings. The Guild dinner was well attended - the Cubs Christmas show was enjoyed by all who attended, the Sea Rangers are off Carol singing, so obviously everyone is getting in festive mood!

The parents I 'collared' at the Open Evening how have covenant forms for subscriptions - please remember to return ASAP, since each signed covenant is worth £15 to the Group at the expense of the taxman. If any Beaver or Scout parents have not signed up yet, please speak to Nigel Duffin (Tel.977-8305), who will let you have a covenant form. All the form needs is your signature - it does not cost you anything, you can still pay subs weekly, monthly or termly. The covenant automatically ceases should your son leave the Group, so all in all, its too good to miss. If everyone signed up, it would mean about £1,000 for the Group - at no extra cost to parents!

Thanks to Steve Leader and those who helped at the Bazaar, we made just over £300 - unfortunately we did not seem to have as many customers as last year, so takings were down- whether or not it was due to the Bazaar being on a Saturday rather than Sunday, or, perhaps some other reason, we cannot say. Anyway, thanks again to everyone for their hard work.

Finally, a Job Sheet is attached to this issue listing all the work outstanding to finish off HQ. Please look through to see if there are any jobs you can undertake, then let us know! Thats all for now.

G.S.L. Keith Maund.

CHIEFS CHAT - (Report from Scout Leader.

We entered 2 teams in the Volleyball Competition, and congratulations are in order to the U/13 who came 2nd, losing the playoff in the final by just one point - well done. The U/16 team came 2nd, and would have done better if they had woken up earlier in the 1st round! Nevertheless, well done also to all the boys.

We had 10 boys who attended the Basic Airmens Course, and 7 took the final test. (At the time of writing we still do not know how many passed). We also had 10 boys who attended the Firefighting Course, but only 2 took the badge.

I would like to say another word about attendance at the meetings, on Tuesday nights and Saturday afternoons. We only had 6 boys turned up on the 25th November, 6 boys on the following Tuesday, and only 5 boys on the Saturday. As I have booked 5 instructors for various subjects, how can they teach, when we do not have a full turnout of boys - this will be a waste of their valuable time, not too mention the Leaders time! I sincerely hope that in the New Year we will see a drastic improvement in the attendance, after all it is purely for the boys benefit and enjoyment that we give our time and interest.

There will be Winter Camp for PLS and APLS on 5th-7th January at Bentley Copse (times and details will be given to the boys concerned). The weekend for Torpoint for the 4th-6th February, if we are lucky enough to be selected. (9 boys will go to the HMS Raleigh)

There will be swimming practise starting on Sunday mornings at Richmond Baths at 7.00am ! (Dates to be announced)

Our last meeting will be on Tuesday 19th December, and the 1st meeting after Christmas will be Tuesday, 9th January '90.

A very Merry Christmas and Happy New Year to you all, from us, Chief, Chips and Coxswain.

Chief. Mick Chinnock

CUBS CAPERS (Report from Cub Leader)

We had a very good evening at our Christmas Show. Everybody thoroughly enjoyed it. Many congratulations to all the boys who worked so hard, and gained their Entertainments badge. Our many thanks to the parents who supported it so well.

We wish you all a very Happy Christmas and will see you on the 10th January at our 1st meeting for the New Year.
